

ASU-CINTANA CONTENT REPOSITORY TRANSLATION INITIATIVE

RULES OF ENGAGEMENT

- A restricted list of courses is available to be translated as part of the initiative.
- For course selections, it is recommended you look at the list of courses and then visit the content repository to have a complete look at the Syllabi and course contents.
- A minimum of 10 courses translated is required to participate in this initiative.
- Each institution will be required to complete an online form listing the courses they are signing up to translate and curate in Spanish.
- First come, first served when it comes to selecting courses, that is, those who submit the form first will have priority on their selections.

Suggestion for selecting courses:

- Give priority to courses that are part of Dual Degree Articulations at your institution.
